Travel

Traveling to and from Costa Rica is easy and direct! Here are a few of our best tips!

Flights. The two most direct airlines are United and Avianca (both star alliance members, so if you have miles, use them!) United departs from both San Francisco (SFO) and San Jose (SJC) and into San Jose Costa Rica (SJO), your initial destination. Avianca only departs from San Francisco, connects through San Salvador (SAL) and arrives San Jose (SJO).

Overnight Stay. Unless you fly redeye, travel will require an overnight stay as the last hopper flight is at 4pm from San Jose CR to Tambor (TMU) CR (your final destination). We do our overnight stay either in Houston TX at the Hilton Garden Inn Houston Bush Intercontinental Airport (hiltongardeninn@res.hilton.com) (281) 449-4148) - it's inexpensive, clean, and includes coffee and a free shuttle to and from Houston International. OR we plan our overnight stay in San Jose CR at Los Volcanes - a wonderful little Costa Rican hotel that is inexpensive, includes an amazing breakfast on their outdoor patio and the taxi ride back to the airport in the morning! We love this place! www.hotellosvolcanes.com. The taxi from the airport to Los Volcanes is \$7, please be sure to take an **orange taxi**, not a red one.

Hopper Flight. Once you arrive in San Jose CR you will need to catch and hopper flight on Sansa Air (www.flysansa.com) into Tambor (TMU) where you will be picked up by a taxi and taken to the resort. The taxi to and from the resort is approx. 45 min. and cost \$50 for a small group. If a larger group, the taxi is \$15/person. The resort will book your taxi and try to coordinate arrivals with others to keep cost to a minimum. Flights on Sansa are limited, please be sure to book early!

What to Bring? As little as possible! If it doesn't fit in your carry-on bag, you won't need it and you will move through security and customs much quicker! Yoga mats and surf boards will be provided for you.

Reminder. TSA 3-1-1 for carry-on liquids (3 oz. or less, in 1 qt. size, clear, plastic, zip top bag, 1 per person) - more information at <https://www.tsa.gov/>
